

Children's Weekend 2010
Ages 3 - Fifth Grade

How do you describe faith? Hebrews 11:1 tells us, "Now faith is the substance of things hoped for, the evidence of things not seen." Because faith is a process, it's not easily defined or described to children. However, children can begin to understand and "see" faith at work through examples in the Bible. Daniel demonstrated his faith by his choices, his obedience and his courage. Our children will learn from these stories of faith during **Children's Weekend, March 19-21**. We look forward to a great weekend that will include a family dinner on Saturday evening and a special worship service on Sunday, March 21.
