Children & Worship

"Preschool Pathways" is offered for children ages 2 1/2 through kindergarten. The preschoolers are present during the first part of the adult worship service, and then dismissed to the children's building for a Bible story and age appropriate activities.

Children who are in 1st-5th grades worship with their family. To enhance the children's worship experience, activity and coloring sheets that correspond to the worship theme are located on the children's table at the back of the sanctuary.

Mission Education & Service
